Brainstorming & Ideation

Top ideas

a) Using CNN
b) Implementing Opencv in python
c) Using the idea of "Google vision API"
d) Gray scaling in python
e) SimpleITK
f) Hand gesture Recognition using Tensorflow &Opencv

Worst Ideas

a) Hand shape Recognition
b) Using Dataset
c) Use java for Opencv
d) Predetermined hand gesture
e) Using High Clarity Camera
f) Tony Stark Gadgets Blueprint (Iron Man)
g) Scikit-Image
h) Blurring an Image
i) Gesture based Automation
j) Deep learning using Matlab
